Fallen Leaves

The warm tones of Fallen Leaves will remind you of an afternoon stroll through the Luxembourg Gardens, watching the yellow and orange leaves gently fall to the ground. Oh, and those orange accents are so Celine this season.

INGREDIENTS

20 ml (¾ fl oz) Calvados
20 ml (¾ fl oz) sweet vermouth
7 ml (¼ fl oz) dry vermouth
lemon slice, to garnish

HOW TO

Add the Calvados and both vermouths to a mixing glass filled with ice and stir briskly. Strain into a chilled cocktail glass.
Garnish with the lemon.
